Dear Funeral Service Colleague:

The Connecticut Funeral Directors Association will present the 19th Annual "Appreciation Night" at the Water's Edge Resort, on Thursday, June 6, 2019. On this special night, it will be our pleasure to honor funeral service professionals and/or firms for length of professional service. There are two categories for which you or your firm may qualify:

Member: You have been licensed in Connecticut for 25, 35, or 50 years or longer

Firm: Your firm is celebrating 25, 35, or 50 years of service or longer

If you think that you, an employee, or your funeral establishment may qualify, please fill out the attached award application. The Board of Directors of your Association would like to honor you and present you with a plaque of special recognition.

In addition to the plaque, we will send a news release to your local news media. Also, your accomplishment will be noted in our Association's newsletter and on our website. A photographer will be present at a designated time for photographs which we will submit to the newspaper along with the news release. Residents of your community will be pleased to see the pride both you and your Association feel in your many years of service to the funeral profession.

We invite you to share your anniversary with your peers. These are certainly occasions to note with pride, as each is a testimony of the trust that your families place in you. We feel it is part of your Association's role to recognize our members who continue to enhance the image of funeral service professionals. Our presentation will be an emphatic declaration of your commitment to funeral service.

If you or your firm qualifies, please complete the appropriate award application and return that form to the Association office no later than Friday, **May 24, 2019**, to enable us to have enough time to prepare the awards.

We hope that we will have the honor and pleasure to recognize you or someone from your firm this year.

One again we are pleased to include the 2019 Family Support Services Scholarship Recipients in our awards presentation. It will truly be a night of recognition and celebration.

Sincerely,
